DEATH RATE LOWER IN 1919 THAN 1918

DECREASE DESPITE "FLU" EPIDEMIC OF LAST YEAR

BIRTHS SHOW DECREASE

Vital Statistic Records Shows Deaths 28 Less and Births 49 Less Than Previous Year.

The report of Dr. F. R. Anthony, vital statistics registrar for Nodaway county, to the state board of health for the year 1919 shows a decrease over the preceeding year of 28 deaths and a decrease in births of 49. The number of deaths for the year 1919 was 94, for 1918 it fas 121, whereas the births for the two years were 122 and 170 respectively.

Except during the month of March the largest number of deaths occurred in December. This fact is probably at tributable to the epidemic of "flu" which was at its worst in the country at that season. The largest number of births during the year took place during the same month.

The most interesting fact brought to light by the statistics is that, despite the "flu" epidemic, there were less deaths in 1919 than in 1918.

The detailed report by months for 1918:

	Deaths	Births
January	2	8
February	6	9
March	19	10
April	10	2
May	6	10
June	9	6
July	7	10
August	12	8
September	10	3
October	11	6
November	11	7
December	15	15
Total	94	122

FIRST TRADE WEEK DAY PROVES RECORD BREAKER

Several Merchants Have Greatest Sales in History. All More than Satisfied With First Day.

The first day of Trade Week, January 10 to 17, resulted Saturday in several merchants in the city having the largest days business ever recorded by them.

While the crowd of shoppers in the city did not appear as great in number as on previous days, every one came to town to take advantage of the bargains offered and not to just look and window shop.

Every merchant expressed himself as more than pleased with the Trade Week plan, of having a collective bar gain sale event for all retailers in the city, and the result, was very gratifying. The total of the days business was undoubtedly the greatest of any day in the history of the town.

Trade Week will continue until Saturday night next. The week has been extensively promoted by the Maryville Ad club and Chamber of Commerce.

REDISTRICT COUNTY FOR S. S. WORK

OLD OFFICERS HOLD UNTIL AFTER CONVENTION

CALENDAR TO BE DEVISED

Changes Made at a Meeting of the Nodaway County Sunday School Association Held Yesterday.

At the regular meeting of the Nodaway county Sunday school assn at 3:30 yesterday afternoon it was decided to redistrict the county as follows.

Lincoln District No. 1, Atchison and Nodaway district No. 2, Green and Monroe district No. 3, Hughes district No. 4, Grant and White Cloud district No. 5, Washington and Jefferson district No. 6, Jackson and Independence district No. 7, Union and Hopkins district No. 8, Polk district No. 9.

The officers in each township will hold office until the new district hold its convention and at that time a set of officers will be elected to take charge of the district.

It was also decided to send each school in the county a standard wall chart furnished by the Denominational boards, after marking with a red seal each point the school has attained, so that they will try to bring the school up to the 100% on the standard.

A calendar will be arranged by R. C. Seal administration superintendent for the Nodaway county ass'n., to be used by all schools in the county, which if the superintendent of the schools will adopt will help to make the school a 100% on the standard. The idea of this calendar is that a twenty minute program be given in the school before the lesson period using the subject suggested on the calendar for the day.

Father and Sons week and banquet was discussed and the ass'n., will try this year to have it observed in each township in the county Feb. 5 is the beginning of Father and Sons week.

An older boys and girls conference will be held in Maryville April 9 to the 11th, which will be for the boys and girls from 16 to 22, years of age, who are members of a registered organized Sunday school class, in any Sunday school in the county.

The reports of Prof. A. H. Cooper of the Christian Carols sung by the young people of the Polk township Sudnay school association was received with much interest and it is thought this feature will be much more interesting this year. And F. H. Barrett reported progress in the Adult and Home department work in the county, it was suggested that we establish a mail dept., of the Home Dept., sending the supplies out by mail, in this way all members of the church may be brought in touch wit hthe Sunday school.

Mrs. I. E. Tulloch reported progress in the Childrens Division work, and will prepare for the holding of a number of conferences with her workers in the near future.

The last item of business was the deciding of the place to hold the county convention and it was decided to accept the invitation of Burlington Junction. Mr. Herman Bowmar state sec'y. of Missouri Sunday school Ass'n., and Miss Harriet Edna Beard, Children's Division Supt., of the state association will be in attendance. The date of the convention will September 17, and 18, 1920.

PROF. O. H. SMITH, FIRST HEAD OF SEMINARY, DEAD

Passes Away at Greencastle, Ind. Jan. 4—Was Member of Missouri Conference Methodist Church.

Prof. O. H. Smith who was the first president of the Maryville Seminary, died January 4, at his home in Greencastle, Ind.

Mr. Smith came to Maryville from Cameron where he was superintendent of the Cameron and Trenton districts for the Methodist conference. He was one of the most prominent educators in the middle west and divided his life work between teaching and preaching. He was born at Harrisburg, Ind., June 2, 1830. He entered Asburg college Greencastle after the completion of his high school work and graduated from that school in 1856. He was successfully superintendent of the Thorton, Danville and Rocport, Ind., academies and later as a member of the Indiana conference preached at Bloomington and Bedford, Ind.

On leaving Maryville Mr. Smith returned to Greencastle, to spend the remaining years of his life a part of his time being spent in newspaper work on the Greencastle, Daily Banner.

Mr. Smith is survived by his widow and five children, W. P. Smith of Port Angeles, Wash., A. A. Smith of Portland, Ore., H. M. Smith of Greencastle, Ind., Mrs. H. E. Lippman of Seattle, Wash, and Mrs. J. M. Saunders of Kansas City.

During the residence of the family here, Mrs. Lippman, formerly Miss Edith Smith, was one of the teachers in the public school. Funeral services were held at the College Avenue Methodist church of Greencastle on Tuesday afternoon, January 6.

THREE HOLIDAYS OF 1920 COME ON SUNDAY

Washington's Birthday, Memorial Day and Fourth of July Fall on First Day of Week.

Those who with a heavy heart, after the holiday season, search through the year to see how many holidays they will have and how long it is until the next one arrives, have been crushed by the discovery that three of the seven holidays fall on Sunday. These are Washington's Birthday, February 22; Memorial Day, May 30, and July 4.

The other holidays are Labor Day, which legally is set for the first Monday in September and will fall on the sixth of the month; Missouri Day, October 7; Thanksgiving Day, which will be Thursday, November 25; and Christmas which will fall on Saturday.

The blow is particularly hard for school children and university students since they will lose Washington's Birthday and Memorial Day as holidays.

Christmas day will also be lost by the school children as a school holiday since it falls on Saturday.

TERMS OF WAR RISK INSURANCE REVISED

MODIFICATIONS MADE IN RULES OF REINSTATEMENT

MISS TURNER HAS BLANKS

Secretary of Home Service Department Will Supply All Information to Former Service Men.

More liberal conditions for the reinstatement of lapsed or canceled insurance of service men have been made by the director of war risk insurance with the approval of the secretary of the treasury.

Miss Betty Turner, secretary of the home service department has received these reinstatement blanks and any service man desiring one, or wanting any further information on the modifications of the war risk insurance terms; may obtain such of Miss Turner at 222 South Buchanan street.

These decisions issued by the bureau directors are as foliqws:

The provisions of Treasury decision No. 47, allowing eighteen months from the date of discharge for reinstatement upon payment of only two month's premiums on the amount of insurance to be reinstated, are retained. That decision is liberalized, however, by a new provision that men out of the service are permitted to reinstate by merely paying the two month's premiums without making a statement as to health at any time within three calendar months following the month of discharge.

After the three months following the date of discharge have elapsed, a statement from the applicant to the effect that he is in as good health as at the date of discharge or at the expiration of the grace period, whichever is the later date, will be required together with a written application for reinstatement and the tender of two month premiums on the amount of insurance he wishes to re-instate.

Service men who reinstated their insurance by payment of all back premiums prior to July 25, 1919, when the decision requiring payment of only two month's premiums went into effect, u on written application to the bureau may have any premiums paid in excess of two applied toward the payment of future premiums. For example, if after policy had lasped for 6 months, a man reinstated and paid six month's premiums instead of two, he may secure credit for four months' premiums.

The provisions for reinstatement do not protect a man until he actually re instates. If he waits he may not be in as good health as he was at the time of discharge and consequently may not be able to secure reinstatement.

James and Charles Reed of near Ravenwood were in Maryville on business today.

BREAK TO COME IN SENATE DEADLOCK

SHOWDOWN EXPECTED IN AFFAIRS IN NEXT 48 HOURS.

MAY BE UP TO PEOPLE

Promising Indications Today of Compromise. First Meeting Called January 16 in Paris.

Washington, Jan. 12.—In the next forty eight hours will develop a show down in a situation unparallel in political annals. Either the dead lock in the Senate will be broken and the treaty put definitely on the road to ratification or the dispute will be irrevocably projected into a political campaign for the people to settle.

There are more promising indications today of a compromise leading to early ratification of the peace treaty than at any time since the president brought the document from Versailles. A caucus of democratic senators held at the residence of Senator Owens of Oklahoma last night is regarded as having paved the way for an agreement with the Republican senators. Senator Hitchcock today expressed himself as optimistic. He denied he had gone over to Bryan's policy and declared he was earnestly seeking some way out of the dead lock, which would not kill the treaty, and he believed such a way had been found.

The president will today issue a call for the first meeting of the league of nations, it was learned from the state department. The date is understood to be January 16, and the place Paris.

Women of Missouri Suffer Pains and Aches

Kirksville, Mo.—"Some years ago I had a severe nervous break-down, due to feminine weakness. I suffered with pains and aches continually. Was about as miserable as one could be, and just two bottles of Dr. Pierce's Favorite Prescription cured me of this ailment and I felt better than I had for a long time. I have since enjoyed good health. I can recommend 'Favorite Prescription' to women who suffer."—MRS. A. P. SCOTT, 1001 N. Franklin St.

Run-Down, Nervous, Weak

Kansas City, Mo.—"I found Dr. Pierce's Favorite Prescription to be just what is claimed of it as a woman's medicine. During middle life I was all run-down, nervous and weak, could not eat nor sleep well; did not have a bit of strength, would be tired and worn-out all the time. I knew I must have medicine and finally decided to try 'Favorite Prescription' and it was just the thing I needed as it brought me through in a good strong healthy condition. I always recommend it to my friends, many of whom have taken it with just as good results."—MRS. ALBERT LEELOM, 5002 Michigan Ave.

Motherhood

St. Louis, Mo.—"After motherhood developed woman's trouble. I suffered with inflammation and became very weak and thin. Suffered with backaches all the time and was a miserable nervous wreck when I was advised to try Dr. Pierce's medicine. I took two bottles of the 'Favorite Prescription' and used one box of 'Suppositories.' These medicines made me feel like a new person and my good health returned. 'Favorite Prescription' is an excellent medicine for women."—MRS. WM. GEORGE, 4120 Lee Place.

Dr. Pierce's Favorite Prescription can now be had in tablet form as well as liquid at most drug stores. Send to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for a ten-cent trial package of tablets.

You Can't Cure Rheumatism With Liniments and Lotions

If you are afflicted with Rheumatism, why waste time with liniments, lotions and other local applications that never did cure Rheumatism, and never will?

Do not try to rub the pain away, for you never will succeed. Try the sensible plan of finding the cause of the pain. Remove the cause, and there can be no pain.

You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has no equal as a blood cleanser, scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system.

Get a bottle of S. S. S. at your drug store and get on the right treatment to-day. If you want special medical advice, address Medical Director, 49 Swift Laboratory, Atlanta, Ga.
